

## **Списък на установените цитирания на публикациите на главен асистент д-р Десислава Сопотлиева**

представени във връзка с участие в конкурс за заемане на длъжността „доцент“ по специалност 02.22.01 „Екология и опазване на екосистемите“ за нуждите на Секция „Флора и Растителност“ към Отдел „Растително и гъбно разнообразие и ресурси“ на ИБЕИ–БАН

**Общ брой установени цитирания – 206**

**Брой цитирания в научни публикации, публикувани в издания, реферирани във Web of Science и/или SCOPUS – 125**

**Брой цитирания в научни публикации, публикувани в международни или национални издания без IF и/или SJR – 72**

**Брой цитирания в дисертации – 9**

Посочените в този списък научни публикации на Д. Сопотлиева и техните цитирания са подредени по хронологичен ред. Номерацията на цитиранията е последователна. Установените цитирания, в научни публикации публикувани в издания, реферирани и индексирани в Web of Science и/или SCOPUS, са отбелязани като в скоби и с подчертаване в цвят са посочени съответните стойности на IF и SJR.

**Sopotlieva, D., Petrova, A., 2001. Wild ornamental plants in Sinite kamani natural park. - In: Proceedings Third Balk. Sci. Conf. "Study, Conservation and Utilisation of Forest Resources" II: 440-449.**
