

Списък на цитирания в научни издания, монографии, колективни томове и патенти, реферирани и индексирани в световноизвестни бази данни с научна информация (Web of Science и Scopus)

на

Теодора Ангелова Тричкова

във връзка с участие в конкурс за академичната длъжност „Доцент” по професионално направление 4.3. Биологични науки, научна специалност „Хидробиология”, обявен в ДВ, бр. 86 от 01.11.2019 г.

I. Цитирания на научните трудове, свързани с придобиване на образователната и научна степен „Доктор”

Trichkova T. A., Kotsev A. A., Popov A., Zivkov M. T., Kozuharov D. S., Botev I. S., Hubenov Z. K., Dimitrov S., Cheshmedjiev S. D. 2007. Assessment of zebra mussel (*Dreissena polymorpha*) infestation risk using GIS for water basins in the North-West Bulgaria. Project Report. US Army Corps of Engineers – Defense Technical Information Center, 54 pp.
